SUCCESS-POWER

### The Stamp of Character.

Character is the one unchanging qualification for sucess. It is manhood, it is business integrity, it is the mark of a life well lived.

Do not overlook the great opportunity to make your character your capital in whatever pursuit you are following. Shrewdness, cleverness and pull blind many to the finer chance that lies before them.

Resolve that you will stand by your principles, come what may. If you are a lawyer, a merchant, a clerk-be a man first and all the time.

You will become a power in your work just as soon as people realize that you stand for everything that's square. That is the key to accomplishment.
